MET7.469

1990

Konventionell

Marke Astec

Modell CDH-3A

Baujahr 1990

Spezifikationen

Steuerung Konventionell

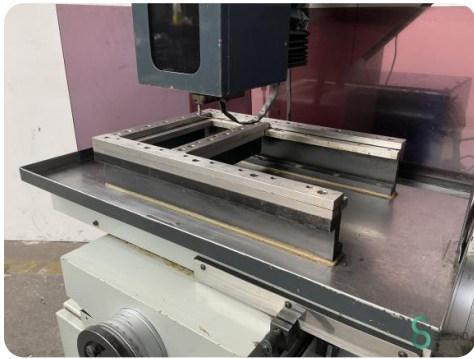

Abmessungen

Länge 1500 mm

Breite 1100 mm

Höhe 1850 mm

Gewicht 1000 kg

CDH-3A

	Unit	CDH-3A
Work table dimension (width x depth)	mm	500 x 360
Work tank inside dimension (width x depth)	mm	820 x 550
Distance from the table top to the electrode clamp face	mm	220
Table moving distance (Forward and Back x Right and Left)	mm	300 x 200
Maximum Load weight of the work	kgf	300
The diameter of the electrode	mm	40.3 to 3.0
Servo feed distance	mm	250
Processing head up and down distance	mm	200
Machine body weight	kgf	900
Processing liquid tank capacity	ℓ	20
The maximum processing average current value	A	40
The maximum input	KVA	4.5
