

Welding fume extraction systems - Herding FLEX 1500-48/9 GK

Welding fume extraction systems - Herding FLEX 1500-48/9 GK

MET7.887

2014

55.0kW

Brand Herding

Model FLEX 1500-48/9 GK

Year 2014

Specifications

Motor power	55.0kW
--------------------	--------

Dimensions

Length	5000 mm
---------------	---------

Width	2500 mm
--------------	---------

Height	2500 mm
---------------	---------

Weight	2500 kg
---------------	---------
