

Aerial work platform - JLG 2033-E3

Aerial work platform - JLG 2033-E3

WKH6.171

Elektric

340

409

2000

Brand JLG

Model 2033-E3

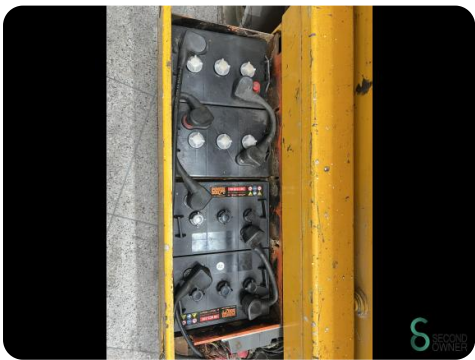

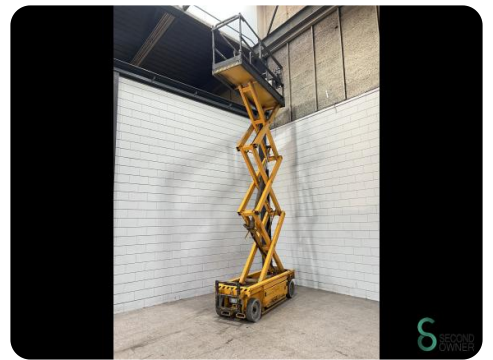

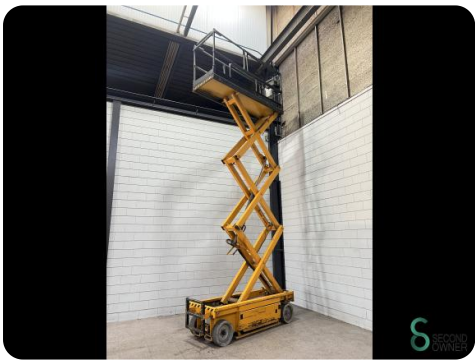

Year 2000

Specifications

Drive	Elektric
Battery voltage	24V
Working height	8100
Movement	Solid rubber tires
Platform load capacity	340
Type	Scissor lift

Dimensions

Length	2500
Width	810
Height	2070
Weight	2090
