

Dowel drilling machine / row drilling machine - Maggi BORINGSYSTEM 23TOP

Dowel drilling machine / row drilling machine - Maggi BORINGSYSTEM 23TOP

HOU6.675

23

1.5

55

2007

Brand	Maggi
Model	BORINGSYSTEM 23TOP
Year	2007

Specifications

Voltage [V]	400
--------------------	-----

Table length [mm]	950
--------------------------	-----

Table width [mm]	410
-------------------------	-----

Number of spindles [pcs]	23
---------------------------------	----

Main motor power [kW]	1.5
------------------------------	-----

Drilling depth [mm]	55
--------------------------------	----

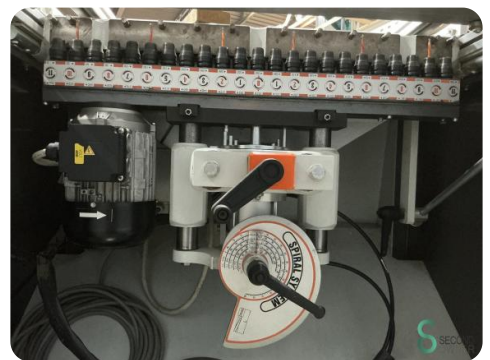

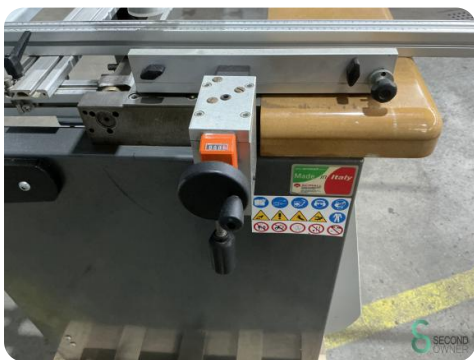

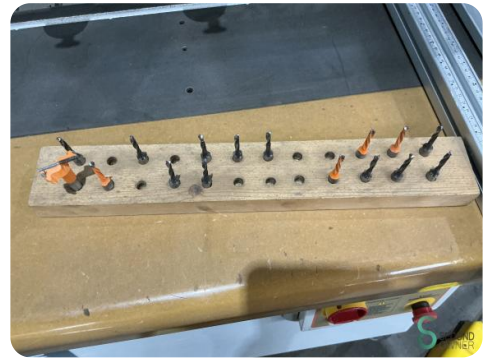

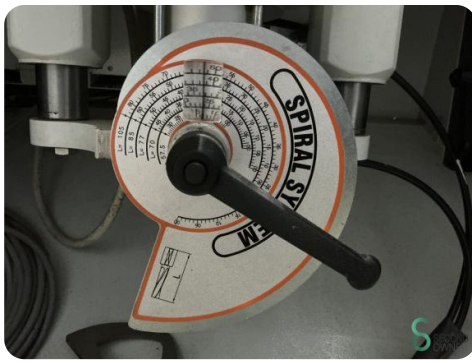

Dimensions

Length	1315
---------------	------

Width	960
--------------	-----

Height	1265
---------------	------

Weight	320
---------------	-----
